2026/27 season
Niagara Falls, Ontario

BORN IN 2012? TRYOUTS ARE OPEN NOW.

Niagara FC's U15 OPDL team is building its 2026/27 roster. OPDL is Ontario Soccer's standards-based development league, and in 2025, 80% of the boys on Ontario's provincial team came from it.

What your son gets

Training	Three evenings a week, year-round. NFSC advertises 46 training weeks over 11 months.
Coaching	Paid, non-parent, nationally certified coaches. The 2012 boys coach is a former professional player.
Matches	Up to 20 OPDL matches, May to October, with assigned officials.
Feedback	Two written and one verbal evaluation every year.
Visibility	Provincial scouts evaluate players at ID weekends. An opportunity, never a promise.
